FY End Ordering Cut-off: Varies based on requirement; contact CSTAT COR for further information

Ordering Process:

1. Customers submit a requirements package to the DTIC IAC PMO in accordance with the Task Order Guidelines.
2. The IAC PMO and Contracting Office will review the requirements package to ensure compliance, completeness and applicability to the IAC program goals.
3. The Contracting Office solicits proposals from CSTAT MAC prime contractors through a RFP.
4. The Contracting Office awards the task order to the winning CSTAT MAC contractor.
